2015-2016 spread sheet

CASE NAME	COUNTY	A/R	COA/SUP	NOTES
In re Adoption of Madysen S.	Lincoln	R	Supremes	Step parent adoption, lower court finds abandonment, so no notice needed; not final appealable until adoption occurs, so sorry practically, how appeal?
In re Mya C.	Lancaster	R	COA	Ryder - TPR appeal; 3a adj for ed neglect for Mya; then on all kids TPR on 2, 6, 7 - reversed on BI.
In re Gavin and Jordan S.	Lancaster	A	COA	Thorson, 3a and TPR; Lozano; Pollack, Henderson; twins born June 2011, day care child's death in Jan '12; issue one was exhibit, where author died; trial court didn't mention it in opinion, COA says didn't rely, so harmless error if it was error to let it in; sub 9 filing not require a prior adj, so can terminate; state not prove which parent - COA -doesn't matter, was in their care, their story not reasonable; BI despite no harm to kids beause crime so huge, lack of responsibility TPR on 7 and 9 affirmed
In re Gshp of Celeste T.	Cass	R	COA	Grma K sought gship over grdaughter Celeste; mom Melissa was 18 at C's birth, married to dad but dad moved away, agreed to gsp at the time; gshp established 3 yrs post birth, mom and child had been living w/ grma, grma listed as being primary custodian; 6 yrs later mom M seeks to end gshp, has house, regular visits, new man, new baby; trial spread out for 2 yrs; during trial judge ordered week on/ week off, then 2 weeks on/ 1 off; mid trial alleg. That 'grpa' sexually touched; procedural = BOE fee and bond can be late but not filing fee or notice; COA - mom may be immature and narcasstic, but not unfit gship terminated on appeal
In re Dana H.	Lancaster	A	COA	Porter; Chelsie Krell, Lamski = supression hrg on sub 1; warrantless search of backpack at school, found switchblade; bag "clunked", thought suspicious, opened; 3 bottles colone (school rule violation) and knife; COA cites NJ v TLO, standars less at school - reasonable under circum./ reasonable suspicion; must be justified;
In re Grace H.	Lancaster	R	COA	Ryder: Bestul, Lamski = 3 older kids in care due to DV; mom hit and miss on success; COA - need to show harm to new baby, not just old case not resolved; no DV at time of birth, making progress in therapy, visits positive;
In re Miah T & DeKandyce H.	Lancaster	A	COA	Heideman - appeal dispo and placement; 3a on mom, dad visits; dispo had dad do DV classes; dad started and stopped, suppl filed on dad later; here, COA says orders different as 2nd more specific, so final order; but then revertts to DeWayne, child adjudicated, so its fine - Sloane?
In re Tavian B.	Lancaster	R	Supremes	Ryder - ICWA transfer case; doesn't disc adj basis, notes dates; TPR filed

				15 mos after 3a, tribal notice 3 mos post 3a filing; tribe get notice of TPR; ? of whether dad tribal member (no documentation); so delay; but once affirmed, TPR dropped and transfer denied; COA - while appeal pending, BIA amended guidelines, said tribe waiting until TPR may be valid timing; concur and dissent by Justice Stacy
In re Kylie P.	Sarpy	R	COA	Gendler - YRTC post statute; orig adj 1, 2, 4 for shoplifting and truancy and habitually wayward (but no 3b?); suppl for pot poss (1 oz); fails at home, group, family; expedited hrg, but no motion; COA - need motion, notes unclear if it has to be a written report, or could be oral
In re Alec S.	Douglas	R	COA	Kelly - TPR, reversed BI; 3a fault b/c mom have PTSD, need inpatient, not go in; TPR on 2, 6, 7; at trial, counselor recc continued contact post TPR as severing would be detrimental to child; COA agrees 15/22, but not BI, criticizes that no one close to case testified (visitation worker, fosters, teacher); notes worker new to case
In re Isabel B.	Madison	R	Supremes	3a on mom for phys/ verbal abuse, meds, dirty house; dad show at first hrg, alleg. Not much contact, "state" suggests suppl; rts advisory, ct says no atty for dad until charged; dad ask placement, state provide info on crim hist, ct says no; 22 mos later, TPR on dad 1-3, 6, 7; trial ct says should have had atty, so no TPR; state and GAL appeal - Supremes - had due process atTPR, good enough for a sub 1 (abandonmt)
In re Jackson E.	Holt	dismissed	Supremes	3a for head injuries, placed w/ maternal gpts; moved 2 1/2 yrs later; gpts challenge, intervene; fosters can't appeal placement; gpts is "keep abreast", not right to appeal
In re Giavanna G.	Douglas	R	COA	Daniels - TPR reversal; 3a starts as ed neglect, adds dirty house; suppl on dad for instability; TPR 2,6, 7; COA notes 15/22, but also that not file on dad until July '13, TPR Aug 14, so not 15/22; some improvemts - "close call"
In re Dale L.	Lancaster	A	Supremes	Ryder - split court, affirmed in one sentence
In re Donamick B.	Lancaster	A	COA	Ryder; charged sub 1 for 3rd deg sexual assault (incompetent); appeal of adj, analysis of "sexual gratification" vs arousal;
In re Mitoria & Cortez T. npp	Madison	A	COA	TPR 5,6, 7; orig jurs re non-accidental injury and missed school; affirmed on 15/22 (7), cited testimony of lack of progress/ engagement
In re Sicily M. npp	Douglas	A	COA	Crnkovich - 3a filed on mom Jan '14, dad atty Aug '14, suppl on dad Dec '14 for not putting self in position, alcohol, and awol; ICPC June '15; TPR on both parents, mom not discussed, dad 6 and 7: on appeal, dad only argued BI; COA - half-hearted not good enough, TPR on 7 and BI
In re Charity N. npp	Douglas	A	COA	Lamberty - TPR; 3a for failure to protect from sex abuse; alcohol/ drugs, unstable; suppl NF on dad for brain injury; suppl on mom for alc/ drugs

				w/ new baby; TPR on all shortly after (2, 5 baby, 2,5, 6, 7 others) dad to baby 3a and TPR at same time; TPR on older 2 sub 7; baby was home for awhile, mom not follow thru, so removal basically met sub 2; opinion disc DV but doesn't appear to be adj basis; TPR affirmed
In re Adoption of Jaelyn B.	Douglas	R	Supremes	parents sign acknowledgement of paternity in Ohio, ltd ability to rescind. Competing actions in OH and NE. Genetic tests dad isn't dad, but too late in the game. Opinion holds a court cannot disestablish paternity in an adoption action
In re Alan L.	Sarpy	A	Supremes	LV case! Youth 16, paroled from YRTC. New charges 6 mos lates for possession alcohol (other charges dismissed). Youth not cooperative with services, prob officer want new commitment to probation, versus parole revocation to YRTC. Before dispo, fight with mama with gun, detained. Suppl petition filed for more charges. Dspo on first charges = probation; adj on 2nd supple. Another detention, motion for YRTC, pre adj on 2nd. Hrg started on first YRTC commitment, contin to after adj on suppl; Disc of whether to amend motion, didn't, hrg, lost. Co atty files amended before dispo on 2nd suppl; Supremes - only do YRTC at 3 stages - basically, as a new dispo, not a review
In re Ravin L.	Scottsbluff	A	COA	Mom's rights term; 8 removals, mostly due to mom, 16 yrs; dad in and out, in jail for sex assault of child, meth, sex assault of inmate; TPR 1, 2, 6, 7 lower court TPR on 1, 2; COA affirm, noting new charges after actn filed; no support
In re Darius A.	Lancaster	A	COA	Ryder - appeal of adj - child premature, severe neurological disorders; several unfounded prior intakes, pet for failure to prop provide medicine/ med care & school; for meds, factual/ credibilty issue, Ct went with doc, mom loses; 60 days out of school, mom says school can't meet med needs, child is limited so not really matter; COA - mom decided school "not doing it right" so kept home didn't try to address w/ school; ct analyze parents differently in opinion, but both basically did their own thing, led to adj
